Guidelines for Use of Hamlin Park

1) Introduction

Hamlin Park, herein called the park, is owned by the Village of East Aurora and maintained by the Town of Aurora. The park is intended for use and enjoyment by village and town residents and visitors to the area. All park users, individuals and groups alike, are asked to be courteous towards town and village personnel, neighbors and other park users.

2) Purpose

These guidelines embody the policies and procedures that govern the use of the park. Their purpose is to secure for residents optimal use and benefit of the park, insure maintenance of the park, and assure fair and efficient access to the park.

3) Temporary Use Permit Requirements

a) A Village of East Aurora Temporary Use Permit for Hamlin Park, herein called permit, is required for use of the park by groups of more than one hundred (100). Permit applications are available at the Village Hall, 571 Main St., or on line www.east-aurora.ny.us. A permit is required for use of all park facilities and property including, but not limited to, baseball fields, soccer/football fields, the basketball court, the Rotary Bandstand, volleyball courts, tennis courts, park shelters, and the grove area.

b) The permit application must be completed in full, along with a map of the park highlighting the area and/or facilities to be used, and a signed indemnification agreement and a certificate of insurance naming the village as an additional insured. Application for a permit must be received not less than sixty (60) days, and not more than 75 days, before the date of such use or activities.

c) The Village may forward each permit application to the Friends of Hamlin Park Advisory Board, herein called the Advisory Board, for review and recommendations. The Village Board then reviews the application. If the application has been approved, the Village Board provides a copy to the applicant, the East Aurora Police Department, the Town of Aurora Building Department and the Town Parks and Recreation Department.

4) Factors Considered in Approving Permits

Factors to be considered in determining permission for use include:

- limitations due to current capital improvements or rehabilitation
- regular maintenance
- extent of wear and tear to be caused by use
- coordination of uses
- efficient scheduling
- availability of services

5) Permit denial or rescission

Permits may be denied or rescinded:

- when an applicant fails to comply with requirements of this policy, town, village or state law

- when scheduling conflicts occur
- for any other reason deemed reasonable by the Village Board
- problems or issues experienced with applicant with past events or use.

6) Priority of Use

Village or Town sponsored events have priority of use for the park. Requests for permits will be approved based on the following order of priority:

- a) Residents and groups within the Town
- b) Organizations that have historically used the park
- c) Groups outside the Town

7) Fees

The application fee is \$25.00 and is payable when application is submitted. If the application is approved, the permit fee is \$50.00.

8) Limits on Park Use

Vehicles may drive on the blacktop into the pavilion area (Aurora Players and Rotary Bandstand) for loading and unloading only. Vehicles and other apparatus or equipment are prohibited within eight (8) feet of any tree. Vehicles are to be removed immediately after loading or unloading. In

accordance with fire safety regulation, no vehicles may be left unattended in the pavilion area.

10) Preservation of Property

It is a violation of the Village Code to injure, deface, disturb or befoul any part of the park or any of the buildings, signs, equipment or other park property, or to remove, injure or destroy any tree, flower, shrub, rock or mineral in the park, or to peel any bark from or cut or injure any park tree.

11) Cleaning

- a) Permit users are responsible for cleaning up the park area before noon the day after the event, making sure garbage is collected and bagged, and the area is restored to the same condition as it was prior to the event.
- b) For groups or crowds over 300, permit users must provide for the removal of all garbage and trash generated during the event/use from the park. If a dumpster is to be used, location of the dumpster must be approved by the East Aurora Department of Public Works, and removed from the site within 24 hours of the conclusion of the event. Additional trash containers and bags (at a rate of one per every 50 additional people) are required during the event/use, and must be removed within 24 hours of the conclusion of the event/use. **It is not the financial responsibility of the Village to remove, or cause to be removed any garbage, trash, or refuse resulting from the granting of this permit.**
- c) In case of any damage resulting from or rubbish left in the park as a result of the approved event or use, costs incurred will be billed to the applicant, upon the determination and recommendation of the East Aurora Department of Public Works and approved by the Village Board.

12) Recycling

Recycling is encouraged at all events. All events with projected attendance of more than 300, and all those serving beverages in cans and/or bottles, shall provide designated recycling receptacles adjacent to the point of sale, near designated eating areas, and/or at park entrances and exits.

This includes amusement rides, portable toilets, etc. Any approved apparatus or equipment must be removed from the park within two (2) days of the conclusion of the event, unless otherwise previously specified.

15) Noise

The park is located in a residential neighborhood surrounded by homes. No park event should produce noise levels that interfere with or detract from the enjoyment of the general public in the surrounding area.

16) Signage

If signs are to be used in conjunction with an event, the applicant must contact the Town Building Department at 652-7591 for information on compliance with village codes, and obtain all necessary permits. Copies of any approved sign permits must be filed with the Village Clerk no later than 5 days prior to the scheduled event.

17) Hours

Permitted Park hours are from 7 a.m. to 10 p.m.

18) Local Ordinances

All local ordinances, fire and safety regulations, state laws, and building regulations apply to the use of the park.
