

Village of East Aurora: Reconnaissance Level Survey

136 Olean Street v1910

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

156 Olean Street v1926

Two-and-a-half-story frame house, a good example of the American Foursquare.

168 Olean Street v1890

Two-and-a-half-story frame house, an excellent example of the American Foursquare.

227 Olean Street v1832

Two-story frame house, an exceptional front gable Greek Revival dwelling with matching side wings.

Recommended NRE (I)

USN 02952.000065 (D)

Village of East Aurora: Reconnaissance Level Survey

263 Olean Street v1885

Two-and-a-half-story frame house, a good, intact example of the Queen Anne style.

USN 02952.000072 (D)

281 Olean Street v1842

Two-story frame house, a very well preserved example a front gable and wing Greek Revival dwelling.

Recommended NRE (I)

USN 02952.000066 (D)

297 Olean Street v1913

Two-and-a-half-story frame house, an outstanding example of the Craftsman style, almost completely intact with exceptional stonework.

Recommended NRE (I)

USN 02952.000069 (D)

56 Paine Street v1895

Two-story frame house, a well preserved vernacular example.

Village of East Aurora: Reconnaissance Level Survey

11 Park Place v1860

Two-story frame house, a very well preserved Italianate style cottage.

Previously inventoried in 1970s

19 Park Place v1880

Two-story frame house, a well preserved vernacular example.

20 Park Place v1923

One-and-a-half-story brick and frame house, a very good example of Dutch Colonial Revival.

25 Park Place v1890

Two-and-a-half-story frame house, a well preserved vernacular example.

Village of East Aurora: Reconnaissance Level Survey

30 Park Place v1890

Two-and-a-half-story frame house, a notable example of the Stick style despite later siding.

Previously inventoried in 1970s

33 Park Place v1885

Two-and-a-half-story frame house, a well preserved vernacular example that retains the original carriage barn at rear.

61 Park Place v1880

Two-and-a-half-story frame house, a well preserved vernacular example.

Previously inventoried in 1970s

108 Park Place c1880

Two-story frame house, a well preserved vernacular example with unusual detailing in the gables.

Village of East Aurora: Reconnaissance Level Survey

109 Park Place c1880

Two-story frame house, a very good example of the Queen Anne style.

122 Park Place v1890

Two-and-a-half-story frame house, a good example of the Queen Anne style despite the rear addition.

123 Park Place v1920

One-and-a-half-story frame house, a well preserved vernacular example.

131 Park Place c1880

Two-story frame house, a very good example of the Queen Anne style with unusual porch roof detailing.

Village of East Aurora: Reconnaissance Level Survey

132 Park Place v1920

Two-and-a-half-story frame house, a good example of the American Foursquare.

336 Park Place c1920

Two-story frame house, a very good example of Dutch Colonial Revival.

170 Parkdale Avenue v1951

Two-story frame house, a good postwar Colonial Revival example.

281 Parkdale Avenue v1941

One-story brick and frame house, a unusual postwar example of the Cape Cod style with a recessed center porch.

Village of East Aurora: Reconnaissance Level Survey

303 Parkdale Avenue v1930

Two-and-a-half-story frame house, a good Colonial Revival example.

309 Parkdale Avenue v1930

Two-and-a-half-story frame house, a good Tudor Revival example.

293 Perry Street v1920

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

Contributing building in the proposed South Village historic district.

299 Perry Street v1922

Two-and-a-half-story frame house, a very good example of the Craftsman style.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

305 Perry Street v1922

Two-and-a-half-story frame house, a good Colonial Revival example.

Contributing building in the proposed South Village historic district.

323 Perry Street v1922

Two-and-a-half-story frame house, a good example of the Craftsman style.

556 Persons Street v1901

Two-story frame house, a well preserved vernacular example.

Pine Street at East Fillmore Avenue 1955

Shelgren & Whitman, architects

One-story brick church, a well-designed postwar building by a notable firm, built for the Immanuel Lutheran Church. The Parish House was built in 1933.

Village of East Aurora: Reconnaissance Level Survey

57 Pine Street v1920

Two-and-a-half-story frame house, a well preserved vernacular example.

91 Pine Street c1890

Two-and-a-half-story frame house, a good example of the Queen Anne style despite the recent dormer addition.

Contributing building in the proposed Pine Street historic district.

97 Pine Street v1880

Two-story frame house, a well preserved vernacular example.

Contributing building in the proposed Pine Street historic district.

107 Pine Street v1816

Two-story frame house, a notable, well preserved vernacular example.

Contributing building in the proposed Pine Street historic district.

Village of East Aurora: Reconnaissance Level Survey

110 Pine Street 1879

Two-story frame house, an exceptional, well preserved vernacular example.

Contributing building in the proposed Pine Street historic district.

Previously inventoried in 1970s

117 Pine Street c1910

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

Contributing building in the proposed Pine Street historic district.

120 Pine Street v1860

Two-story frame house, a well preserved vernacular example.

Contributing building in the proposed Pine Street historic district.

Previously inventoried in 1970s

125 Pine Street c1880

Two-and-a-half-story frame house, a very good example of the Queen Anne style with some Gothic pointed windows.

Contributing building in the proposed Pine Street historic district.

Village of East Aurora: Reconnaissance Level Survey

128 Pine Street v1876

Two-story frame house, a well preserved vernacular example.

Contributing building in the proposed Pine Street historic district.

Previously inventoried in 1970s

132 Pine Street v1876

Two-story frame house, a good vernacular example, notable despite the modern siding.

Contributing building in the proposed Pine Street historic district.

133 Pine Street v1915

Two-and-a-half-story frame house, a good example of the Craftsman style.

Contributing building in the proposed Pine Street historic district.

140 Pine Street v1906

Two-and-a-half-story frame house, a very good example of the American Foursquare.

Contributing building in the proposed Pine Street historic district.

Village of East Aurora: Reconnaissance Level Survey

141 Pine Street v1925

Two-and-a-half-story frame house, an excellent example of Dutch Colonial Revival.

Contributing building in the proposed Pine Street historic district.

162 Pine Street v1818

Two-story frame house, a good Federal style design, notable despite later additions.

Contributing building in the proposed Pine Street historic district.

Previously inventoried in 1970s

182 Pine Street v1927

One-and-a-half-story frame house, a good example of a Craftsman bungalow despite recent changes.

Contributing building in the proposed Pine Street historic district.

200 Porterville Road v1928

One-and-a-half-story frame house, a very good Colonial Revival example.

Contributing building in the proposed Pine Street historic district.

Village of East Aurora: Reconnaissance Level Survey

208 Porterville Road v1920

Two-and-a-half-story frame house, an outstanding example of the Colonial Revival.

Contributing building in the proposed Pine Street historic district.

156 Pratt Street v1929

Two-and-a-half-story frame house, an excellent example of the Colonial Revival.

167 Pratt Street v1920

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

173 Pratt Street v1914

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

Village of East Aurora: Reconnaissance Level Survey

179 Pratt Street v1922

Two-and-a-half-story frame house, a good Colonial Revival example.

306 Prospect Avenue v1915

Two-and-a-half-story frame house, a good Colonial Revival example.

Contributing building in the proposed Oakwood Avenue historic district.

340 Prospect Avenue v1910

Two-and-a-half-story frame house, a symmetrical example of the Craftsman style.

Contributing building in the proposed Oakwood Avenue historic district.

341 Prospect Avenue v1900

Two-story frame house, a good vernacular example despite rear addition and new windows.

Contributing building in the proposed Oakwood Avenue historic district.

Village of East Aurora: Reconnaissance Level Survey

357 Prospect Avenue v1883

Two-story frame house, notable despite plastic windows for the remaining original details and the original carriage barn.

Contributing building in the proposed Oakwood Avenue historic district.

358 Prospect Avenue v1916

Two-story frame house, a good example of the American Foursquare.

Contributing building in the proposed Oakwood Avenue historic district.

364 Prospect Avenue v1900

Two-and-a-half-story frame house, a good example of the American Foursquare.

Contributing building in the proposed Oakwood Avenue historic district.

370 Prospect Avenue v1910

Two-and-a-half-story rusticated concrete block house, a good example of the American Foursquare.

Contributing building in the proposed Oakwood Avenue historic district.

Village of East Aurora: Reconnaissance Level Survey

401 Prospect Avenue v1880

Two-story frame house, a well preserved vernacular example.

422 Prospect Avenue v1875

Two-story frame house, a well preserved vernacular example.

460 Prospect Avenue v1893

Two-and-a-half-story frame house, a very good example of the Queen Anne style.

516 Prospect Avenue v1890

One-and-a-half-story frame house, a very good example of a Colonial Revival bungalow.

Village of East Aurora: Reconnaissance Level Survey

523 Prospect Avenue v1870

Two-and-a-half-story frame house, a good example of the Queen Anne style.

529 Prospect Avenue v1904

Two-and-a-half-story frame house, a well preserved vernacular example.

533 Prospect Avenue v1904

Two-and-a-half-story frame house, a good example of the American Foursquare.

537 Prospect Avenue v1910

Two-and-a-half-story frame house, a well preserved vernacular example.

Village of East Aurora: Reconnaissance Level Survey

490 Ridge Avenue v1906

Two-and-a-half-story frame house, a well preserved vernacular example.

499 Ridge Avenue c1870

Two-story frame house, a fine, largely intact Italianate design, likely moved here c. 1890.

509 Ridge Avenue v1920

One-and-a-half-story rusticated concrete block and frame house, a very good example of a Craftsman bungalow.

513 Ridge Avenue v1942

One-and-a-half-story frame house, a good Colonial Revival example.

Village of East Aurora: Reconnaissance Level Survey

516 Ridge Avenue v1920

Two-and-a-half-story frame house, a good Colonial Revival example.

519 Ridge Avenue v1923

Two-and-a-half-story frame house, a good Craftsman style design that retains the carriage barn, complete with original sliding doors.

522 Ridge Avenue v1920

Two-and-a-half-story frame house, a good Colonial Revival example.

530 Ridge Avenue v1925

Two-and-a-half-story frame house, a very good example of Dutch Colonial Revival.

Village of East Aurora: Reconnaissance Level Survey

543 Ridge Avenue v1923

Two-and-a-half-story frame house, a fine Craftsman style example.

555 Ridge Avenue 1923

One and two-story brick former substation and one story brick garage, notably intact examples of the industrial heritage of the Village. Built for the Depew & Lancaster Light Power & Conduit Co.

27 Riley Street 1917

One-and-a-half-story brick former station, an exceptional design built by the Pennsylvania Railroad.

Previously inventoried in 1977

USN 02952.000011 (I)

45 Savage Place v1905

Two-and-a-half-story frame house, a good example of the Craftsman style.

Village of East Aurora: Reconnaissance Level Survey

49 Savage Place v1926

Two-and-a-half-story frame house, a well preserved vernacular example.

53 Savage Place v1905

Two-and-a-half-story frame house, a well preserved vernacular example.

62 Savage Place v1922

One-and-a-half-story frame house, a good example of a Craftsman bungalow.

24 Shearer Avenue 1825

One-and-a-half-story frame house, originally the home of Millard Fillmore, originally stood on Main Street in the commercial district. After being relocated here and restored, it was made a National Historic Landmark in 1974.

90NR01251

USN 02952.000003 (L)

Village of East Aurora: Reconnaissance Level Survey

25 Shearer Avenue v1949

One-story frame house, a good example of a postwar Ranch house.

49 Shearer Avenue v1937

Two-and-a-half-story frame house, a good Colonial Revival example.

52 Shearer Avenue v1950

One-and-a-half-story brick and frame house, an unusual example of a postwar bungalow.

95 Shearer Avenue v1929

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

Village of East Aurora: Reconnaissance Level Survey

416 South Street v1920

Two-and-a-half-story frame house, a very good example of Dutch Colonial Revival.

472 South Street v1928

Two-and-a-half-story frame house, an unusual Craftsman style design.

484 South Street v1926

One-and-a-half-story brick and frame house, a very good example of a Craftsman bungalow.

562 South Street v1938

Two-story frame house, a good Colonial Revival example.

Village of East Aurora: Reconnaissance Level Survey

626 South Street v1936

Two-and-a-half-story frame house, a good example of the Craftsman style.

South Grove Street at Main Street

The Roycroft Campus; the historic buildings of this major Arts and Crafts community constitute the most significant architectural ensemble in the village. It was made a National Historic Landmark in 1986.

90NR01252

45 South Grove Street v1880

Two-and-a-half-story frame house, a well-preserved vernacular example with paired brackets and pedimented lintels.

105 South Grove Street v1900

Two-story frame house, a well-preserved vernacular example with exceptional and unusual ornament in the side gables.

Contributing building in the proposed Oakwood Avenue historic district.

Village of East Aurora: Reconnaissance Level Survey

111 South Grove Street v1911

Two-and-a-half-story frame house, a good Colonial Revival example.

Contributing building in the proposed Oakwood Avenue historic district.

112 South Grove Street v1910

Two-and-a-half-story frame house, a good Colonial Revival example.

Contributing building in the proposed Oakwood Avenue historic district.

175 South Grove Street v1930

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

185 South Grove Street v1886

Two-story frame house, a well preserved vernacular example.

Village of East Aurora: Reconnaissance Level Survey

192 South Grove Street v1876

Two-and-a-half-story frame house, a well preserved vernacular example.

201 South Grove Street v1910

One-and-a-half-story frame house, a good example of a Craftsman bungalow.

211 South Grove Street v1926

Two-and-a-half-story frame house, a very good example of Dutch Colonial Revival.

225 South Grove Street v1930

Two-and-a-half-story frame house, a good example of the Craftsman style.

Village of East Aurora: Reconnaissance Level Survey

237 South Grove Street v1925

Two-and-a-half-story frame house, an excellent example of a Craftsman bungalow.

257 South Grove Street c1910

Two-and-a-half-story frame house, a very good example of a Craftsman bungalow, with a fine one-and-a-half-story frame vernacular house in the rear of the lot.

260 South Grove Street v1880

Two-story frame house, a good, simple and intact vernacular example that was enlarged over time

271 South Grove Street v1932

Two-story brick house, a highly unusual example with side clipped gables and long sloping roofs.

Village of East Aurora: Reconnaissance Level Survey

277 South Grove Street v1921

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

299 South Grove Street v1880

Two-and-a-half-story frame house, a well preserved vernacular example.

Contributing building in the proposed South Village historic district.

300 South Grove Street v1920

One-and-a-half-story frame house, an excellent Craftsman style design.

Contributing building in the proposed South Village historic district.

306 South Grove Street v1951

Two-story frame house, a good postwar Colonial Revival example.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

333 South Grove Street v1910

One-and-a-half-story frame house, an outstanding example of Dutch Colonial Revival, with an unusually flared porch roof.

Contributing building in the proposed South Village historic district.

342 South Grove Street v1946

One-and-a-half-story brick house, a good postwar example of the Cape Cod style.

Contributing building in the proposed South Village historic district.

358 South Grove Street v1925

One-and-a-half-story frame house, a very good example of a Craftsman bungalow

Contributing building in the proposed South Village historic district.

359 South Grove Street v1922

Two-and-a-half-story frame house, a very good example of Dutch Colonial Revival.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

365 South Grove Street v1928

Two-and-a-half-story frame house, a very good example of Dutch Colonial Revival.

Contributing building in the proposed South Village historic district.

366 South Grove Street v1938

Two-and-a-half-story frame house, a good example of Dutch Colonial Revival.

Contributing building in the proposed South Village historic district.

371 South Grove Street v1938

Two-and-a-half-story frame house, a good example of the Craftsman style.

Contributing building in the proposed South Village historic district.

376 South Grove Street v1920

Two-and-a-half-story frame house, a very good example of the Craftsman style.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

55 South Willow Street v1888

Two-story frame house, an excellent Queen Anne style design with ornate and intact original porch and gable woodwork.

Recommended NRE (I)

Contributing building in the proposed Oakwood Avenue historic district.

61 South Willow Street c1880

Two-and-a-half-story frame house, a very good example of the Queen Anne style.

Contributing building in the proposed Oakwood Avenue historic district.

64 South Willow Street v1900

Two-and-a-half-story frame house, a good example of the Queen Anne style.

Contributing building in the proposed Oakwood Avenue historic district.

67 South Willow Street v1860

Two-story frame house, a well preserved vernacular example which retains the original carriage barn in the rear.

Contributing building in the proposed Oakwood Avenue historic district.

Village of East Aurora: Reconnaissance Level Survey

73 South Willow Street v1870

Two-story frame house, a good example of the Stick style.

Contributing building in the proposed Oakwood Avenue historic district.

110 South Willow Street v1950

One-story frame house, a good postwar example of the Cape Cod style.

130 South Willow Street v1930

Two-and-a-half-story frame house, a good example of a Craftsman bungalow.

90 Sycamore Street v1920

Two-and-a-half-story frame house, a good Colonial Revival example.

Village of East Aurora: Reconnaissance Level Survey

96 Sycamore Street v1926

One-and-a-half-story frame house, a very good example of a Craftsman bungalow with matching garage.

100 Sycamore Street v1921

Two-story frame house, a good example of the Craftsman style.

136 Sycamore Street v1920

One-and-a-half-story frame house, a good example of a Craftsman bungalow

194 Sycamore Street v1912

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

Village of East Aurora: Reconnaissance Level Survey

200 Sycamore Street v1900

Two-and-a-half-story frame house, a well preserved vernacular example.

214 Sycamore Street c1910

One-and-a-half-story frame house, a very good example of a Craftsman bungalow despite the odd roof peak addition.

215 Sycamore Street v1890

Two-and-a-half-story frame house, a well preserved vernacular example.

225 Sycamore Street v1910

Two-story frame house, a well preserved vernacular example.

Village of East Aurora: Reconnaissance Level Survey

238 Sycamore Street v1925

One-and-a-half-story frame house, an excellent example of a Craftsman bungalow.

245 Sycamore Street v1915

One-and-a-half-story frame house, a well preserved vernacular example.

259 Sycamore Street v1932

Two-and-a-half-story frame house, a good Colonial Revival example.

265 Sycamore Street v1920

Two-story frame house, a good Colonial Revival example.

Village of East Aurora: Reconnaissance Level Survey

280 Sycamore Street v1923

One-and-a-half-story frame house, a good example of a Craftsman bungalow.

293 Sycamore Street v1953

One-and-a-half-story frame house, a good postwar example of the Cape Cod style.

332 Sycamore Street v1910

Two-story frame house, a well preserved vernacular example.

Contributing building in the proposed South Village historic district.

336 Sycamore Street v1921

Two-and-a-half-story frame house, a good Colonial Revival example.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

342 Sycamore Street v1928

One-and-a-half-story frame house, an excellent example of the Tudor Revival style.

Contributing building in the proposed South Village historic district.

350 Sycamore Street v1916

Two-and-a-half-story frame house, a good Colonial Revival example.

359 Sycamore Street v1921

Two-and-a-half-story frame house, a good Colonial Revival example.

29 Temple Place 1911

First Spiritualist Church, a one-story rusticated concrete block church; a notable example despite recent siding and windows.

Village of East Aurora: Reconnaissance Level Survey

11 Walnut Street v1920

Two-and-a-half-story frame house, a very good Colonial Revival example.

27 Walnut Street v1876

Two-story frame house, a well preserved vernacular example with notable details and carriage barn.

38 Walnut Street v1910

Two-and-a-half-story frame house, a well preserved vernacular example despite new windows.

47 Walnut Street v1890

Two-story frame house, a well preserved vernacular example.

Village of East Aurora: Reconnaissance Level Survey

65 Walnut Street c1890

Two-and-a-half-story frame house, a well preserved vernacular example.

Contributing building in the proposed Oakwood Avenue historic district.

60 Walnut Street v1907

One-and-a-half-story frame house, a well preserved vernacular example.

Contributing building in the proposed Oakwood Avenue historic district.

102 Walnut Street v1910

One-and-a-half-story frame house; despite later siding, an important and unusual example of a vernacular worker's cottage.

Contributing building in the proposed Oakwood Avenue historic district.

105 Walnut Street v1914

One-and-a-half-story roughcast and frame house, an outstanding, beautifully preserved example of the Craftsman style.

Recommended NRE (I)

Contributing building in the proposed Oakwood Avenue historic district.

Village of East Aurora: Reconnaissance Level Survey

110 Walnut Street v1880

Two-and-a-half-story frame house, a well preserved vernacular example.

Contributing building in the proposed Oakwood Avenue historic district.

117 Walnut Street v1920

One-and-a-half-story frame house, an excellent example of a Craftsman bungalow.

Contributing building in the proposed Oakwood Avenue historic district.

120 Walnut Street v1957

One-story frame house, a well preserved example of the Ranch style that apparently retains its original door and windows.

133 Walnut Street v1876

One-and-a-half-story frame house, a well preserved vernacular example.

Village of East Aurora: Reconnaissance Level Survey

186 Walnut Street v1910

One-and-a-half-story frame house, a well preserved vernacular example.

200 Walnut Street v1886

Two-and-a-half-story frame house, a well preserved vernacular example.

225 Walnut Street v1922

Two-and-a-half-story frame house, a very good example of Dutch Colonial Revival.

226 Walnut Street v1896

Two-and-a-half-story frame house, a well preserved American Foursquare.

Village of East Aurora: Reconnaissance Level Survey

237 Walnut Street c1910

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

Contributing building in the proposed South Village historic district.

244 Walnut Street c1910

One-and-a-half-story frame house, an excellent example of a Craftsman bungalow.

Contributing building in the proposed South Village historic district.

249 Walnut Street v1920

Two-and-a-half-story frame house, an interesting Colonial Revival style example.

Contributing building in the proposed South Village historic district.

255 Walnut Street v1919

One-and-a-half-story frame house, a good example of a Craftsman bungalow.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

256 Walnut Street v1916

One-and-a-half-story frame house, a good example of a Craftsman bungalow.

Contributing building in the proposed South Village historic district.

261 Walnut Street v1919

One-and-a-half-story frame house, a good example of a Craftsman bungalow.

Contributing building in the proposed South Village historic district.

262 Walnut Street v1905

Two-and-a-half-story frame house, a well preserved vernacular example.

Contributing building in the proposed South Village historic district.

267 Walnut Street v1876

Two-and-a-half-story frame house, a well preserved vernacular example.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

268 Walnut Street v1920

Two-and-a-half-story frame house, a good example of Dutch Colonial Revival. Although it has aluminum siding, it retains its original windows.

Contributing building in the proposed South Village historic district.

274 Walnut Street v1920

Two-and-a-half-story frame house; although it has plastic siding on the first story, it retains its original shingled siding and many original windows.

Contributing building in the proposed South Village historic district.

275 Walnut Street v1914

Two-and-a-half-story frame house, a well preserved vernacular example. The decoration in the gable appears to be recent.

Contributing building in the proposed South Village historic district.

286 Walnut Street v1920

One-and-a-half-story frame house, an excellent example of a Craftsman bungalow.

Contributing building in the proposed South Village historic district.

Village of East Aurora: Reconnaissance Level Survey

206 West Fillmore Avenue v1952

One-story brick house, a good example of a traditional postwar Cape Cod house.

27 Whaley Avenue v1900

One-and-a-half-story frame house, a very good example of a Craftsman bungalow.

Contributing building in the proposed Fillmore Avenue historic district.

31 Whaley Avenue v1915

Two-and-a-half-story frame house, a well preserved vernacular example.

Contributing building in the proposed Fillmore Avenue historic district.
